

DESIGN PORTFOLIO

BANNERS

The image shows a large, blue-themed tabletop display for FedReceiver.com. The display is divided into several sections. At the top center, the company logo reads "FedReceiver.com" in a large, serif font, with "state and federal court receivers" in a smaller font below it. To the left of the logo is a circular graphic with three overlapping images of modern buildings. Below the logo, the text "Serving the Western US" is written in a stylized font. The display is flanked by two vertical panels, each featuring the company logo and name oriented vertically. The main content area is divided into two columns: "Services" on the left and "Expertise" on the right. The "Services" column lists five items: Receivership Services, Construction Completion, Expert Witness Testimony, Consulting, Real Estate Management, and Leasing. The "Expertise" column lists five areas: Governmental Enforcement, Real Estate/Rents, Issues and Profits, Family Law, and Judgment Enforcement Business. At the bottom of the display, a red horizontal line is followed by the tagline "Put the Unmatched Expertise and Experience of FedReceiver to Work for You".
