

STEP 1. Layout all the parts on the floor in this form. Assembly of the tubes will be flat on the floor. The Base will be attached last.

STEP 2. Push the button with your thumb while sliding the tubes together. Twist as needed to click the button into the hole.

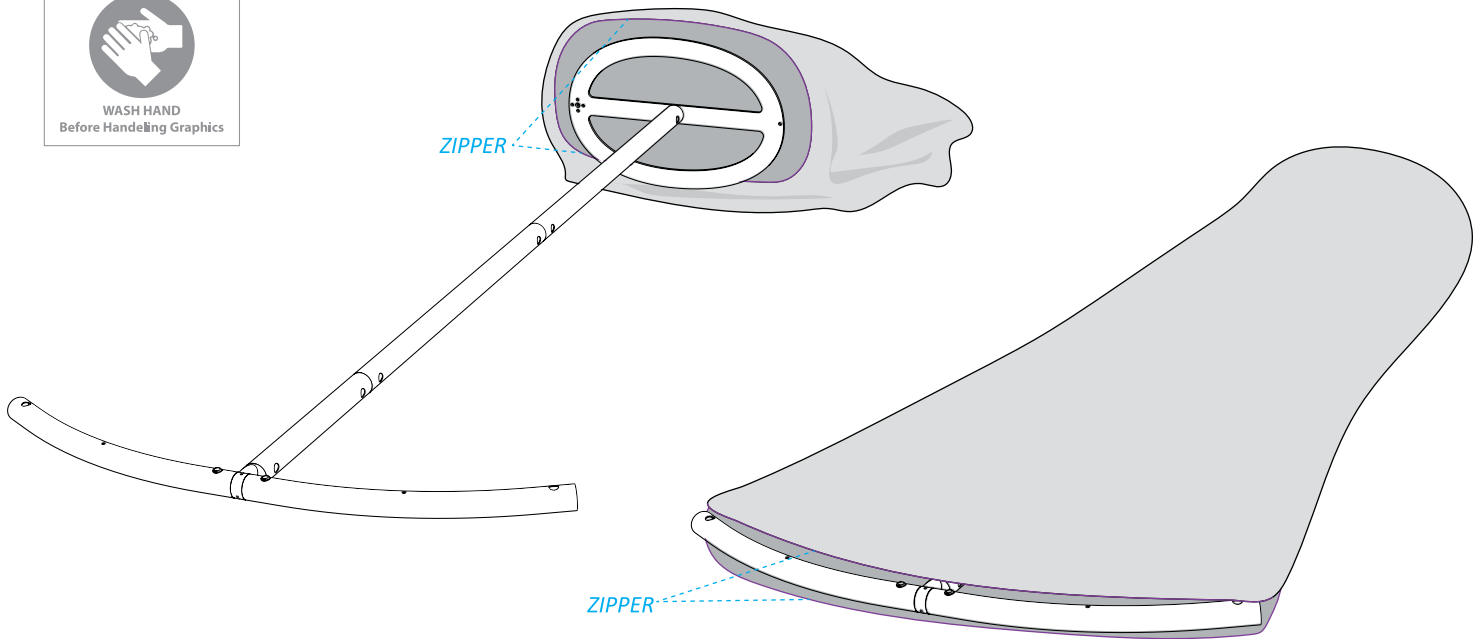

Parts Count:

-  **C30 (2x)**
-  **S36 (2x)**
-  **S18 (1x)**
-  **Diagram A (1x)**
- BASE PLATE (1x)**

STEP 3. Starting at the bottom of the frame, slide the zipper end of the graphic upwards towards the top. When the graphic reaches the top, check to make sure the graphic is straightly aligned before zipping closed.

STEP 5. Pull the fabric firmly with one hand around the top tube while zipping the graphic closed with the other hand. Once fully zipped, stand the display up. You can make any final adjustments to straighten the graphic.
